TRAFFIC UPDATE

The traffic pattern around the BOS Center has changed from previous years. Adams Street is now a two-way street. Drivers should prepare accordingly before arriving.

PARKING PASSES

Parking passes for the BOS Center parking deck can be obtained at the Check-In desk. These passes last for all three days of the conference. You will not need to get a new pass each day (as in past years). You do not need a pass to enter the parking deck; you only need a pass to exit.
