

# 3D Butter Cow Contest

→ at the Illinois State Fair

Become a state fair **SUPERSTAR!** ✨

The Learning Technology Center is excited to host the Illinois State Fair Butter Cow 3D Printing Contest! Show off your creativity and technical skills by merging tradition with technology - design and print your own butter cow masterpiece.

Don't miss the chance to have your design printed and make a mark at the fair! Start churning up your ideas today. Deadline for submission is **April 1, 2025**.

## RULES

- ✓ Multiple students or teams of students from a single school may submit designs.
- ✓ Competition is limited to Illinois school districts.
- ✓ The winning design will be reproduced and distributed at the 2025 Illinois State Fair.

**ILLINOIS  
STATE FAIR**  
AUGUST 7 - 17, 2025

The logo for the Illinois State Fair 25th Anniversary. It features the text "ILLINOIS STATE FAIR" in a bold, sans-serif font. Below "STATE FAIR" is a blue ribbon with the number "25" inside. To the right of the ribbon is a small illustration of a classical building with a dome and columns. Below the main text is the date "AUGUST 7 - 17, 2025".
